

MT41K256M4JP-15E:G

**Part Number:** [MT41K256M4JP-15E:G](#)

**Manufacturer:** [Micron Technology](#)

**Description:** IC DRAM 1G PARALLEL 78FBGA

**Data sheet:**  [MT41K\(256,128,64\)M\(4,8,16\)](#)  
 [MT41K\\_256M4,128M8,64M16](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Integrated Circuits (ICs)</a>                                     | Write Cycle Time - Word, Page  | -                                                                                     |
| Voltage - Supply                 | 1.283 V ~ 1.45 V                                                              | Technology                     | SDRAM - DDR3                                                                          |
| Supplier Device Package          | 78-FBGA (8x11.5)                                                              | Series                         | -                                                                                     |
| Packaging                        | Tray                                                                          | Package / Case                 | 78-TFBGA                                                                              |
| Operating Temperature            | 0°C ~ 95°C (TC)                                                               | Mounting Type                  | Surface Mount                                                                         |
| Moisture Sensitivity Level (MSL) | 3 (168 Hours)                                                                 | Memory Type                    | Volatile                                                                              |
| Memory Size                      | 1Gb (256M x 4)                                                                | Memory Interface               | Parallel                                                                              |
| Memory Format                    | DRAM                                                                          | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                                                            |
| Detailed Description             | SDRAM - DDR3 Memory IC 1Gb (256M x 4) Parallel 667MHz 13.5ns 78-FBGA (8x11.5) | Clock Frequency                | 667MHz                                                                                |
| Base Part Number                 | MT41K256M4                                                                    | Access Time                    | 13.5ns                                                                                |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 11573 pieces of Micron Technology MT41K256M4JP-15E:G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
