

MT48LC32M4A2P-7E:G TR

Part Number: [MT48LC32M4A2P-7E:G TR](#)

Manufacturer: [Micron Technology](#)

Description: IC DRAM 128M PARALLEL 54TSOP

Data sheet:  [MT48LCxMxA2](#)

RoHs Status: Lead free / RoHS Compliant

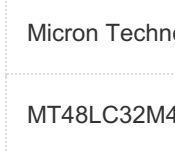

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Clock Frequency                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 133MHz                                           | Base Part Number                 | MT48LC32M4A2                                                     |
| Access Time                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 5.4ns                                            |                                  |                                                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 10980 pieces of Micron Technology MT48LC32M4A2P-7E:G TR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                  |                                  |                                                                  |
