

MT48LC32M8A2P-7E:G

Part Number: MT48LC32M8A2P-7E:G

Manufacturer: Micron Technology

Description: IC DRAM 256M PARALLEL 54TSOP

Data sheet:  MT48LCxxM4/8/16A2

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                             | 54-TSOP II                                                       | Series                         | -                               |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                           | Tray                                                             | Package / Case                 | 54-TSOP (0.400", 10.16mm Width) |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                               | 0°C ~ 70°C (TA)                                                  | Mounting Type                  | Surface Mount                   |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                    | 3 (168 Hours)                                                    | Memory Type                    | Volatile                        |
| Memory Size                                                                                                                                                                                                                                                                                                                                                                                                         | 256Mb (32M x 8)                                                  | Memory Interface               | Parallel                        |
| Memory Format                                                                                                                                                                                                                                                                                                                                                                                                       | DRAM                                                             | Lead Free Status / RoHS Status | Lead free / RoHS Compliant      |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                | SDRAM Memory IC 256Mb (32M x 8) Parallel 133MHz 5.4ns 54-TSOP II | Clock Frequency                | 133MHz                          |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                    | MT48LC32M8A2                                                     | Access Time                    | 5.4ns                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 15612 pieces of Micron Technology MT48LC32M8A2P-7E:G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                  |                                |                                 |
