| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                           | FLASH - NOR Memory IC 32Mb (4M x 8) SPI 104MHz 24-CSPBGA (6x8) | Clock Frequency                | 104MHz                                                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Macronix series electronic components. We have 4445 pieces of Macronix MX25L3255DXCI-10G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                |                                |                                                                    |
