

N74F757N,602

Part Number: [N74F757N,602](#)

Manufacturer: [NXP Semiconductors / Freescale](#)

Description: IC BUFFER NON-INVERT 5.5V 20DIP

Data sheet:  [74F756,57,60](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Supplier Device Package          | 20-DIP                                                                         | Series                         | 74F                                            |
| Packaging                        | Tube                                                                           | Package / Case                 | 20-DIP (0.300", 7.62mm)                        |
| Output Type                      | Open Collector                                                                 | Other Names                    | 568-3184-5<br>933964730602<br>N74F757N         |
| Operating Temperature            | 0°C ~ 70°C (TA)                                                                | Number of Elements             | 2                                              |
| Number of Bits per Element       | 4                                                                              | Mounting Type                  | Through Hole                                   |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                  | Logic Type                     | Buffer, Non-Inverting                          |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                     | Input Type                     | -                                              |
| Detailed Description             | Buffer, Non-Inverting 2 Element 4 Bit per Element Open Collector Output 20-DIP | Current - Output High, Low     | -, 64mA                                        |
| Base Part Number                 | 74F757                                                                         |                                |                                                |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all NXP Semiconductors / Freescale series electronic components. We have 3972 pieces of NXP Semiconductors / Freescale N74F757N,602 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
