

NBXDBA009LNHTAG

ON Semiconductor®

Part Number:

NBXDBA009LNHTAG

Manufacturer:

AMI Semiconductor / ON Semiconductor

Description:

IC OSC XTAL DUAL FREQ 6CLCC

Data sheet:

 [NBXDBA009](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Oscillator, Crystal                               | Supplier Device Package          | 6-CLCC (7x5)                                         |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | PureEdge™                                         | Packaging                        | Tape & Reel (TR)                                     |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 6-CLCC                                            | Operating Temperature            | -40°C ~ 85°C                                         |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Surface Mount                                     | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                        |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Lead free / RoHS Compliant                        | Frequency                        | 75MHz, 150MHz                                        |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Oscillator, Crystal IC 75MHz, 150MHz 6-CLCC (7x5) | Current - Supply                 | 79mA                                                 |
| Count                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | -                                                 | Base Part Number                 | NBXDBA009                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 12969 pieces of AMI Semiconductor / ON Semiconductor NBXDBA009LNHTAG in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                   |                                  |                                                      |
