

NC7NZ04L8X

ON Semiconductor

ON

Formerly FAIRCHILD

Part Number:

NC7NZ04L8X

Manufacturer:

Fairchild/ON Semiconductor

Description:

IC INVERTER USH 8-MICROPAK

Data sheet:

 [NC7NZ04](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

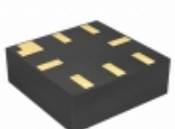

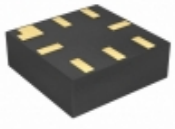

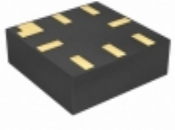

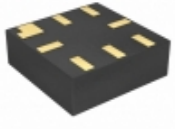

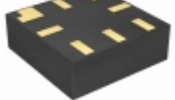

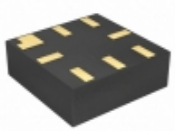

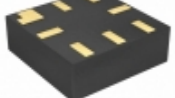

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | IC INVERTER USH 8-MICROPAK                | Current - Quiescent             | 3.6ns @ 5V, 50pF                           |
| CMRR, PSRR (Typ)                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1µA                                       |                                 |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Fairchild/ON Semiconductor series electronic components. We have 335255 pieces of Fairchild/ON Semiconductor NC7NZ04L8X in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                 |                                            |
