

NCV7519AMWTXG

ON Semiconductor®

Part Number: [NCV7519AMWTXG](#)

Manufacturer: [AMI Semiconductor / ON Semiconductor](#)

Description: IC MOSFET PRE-DVR HEX LO 32QFN

Data sheet:  [NCV7519\(A\)](#)

RoHS Status: Lead free / RoHS Compliant

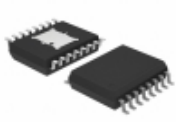

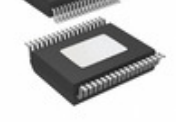

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Motor Driver NMOS SPI, Parallel 32-QFN (5x5) | Current - Output               | -                                                    |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Automotive                                   |                                |                                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 5170 pieces of AMI Semiconductor / ON Semiconductor NCV7519AMWTXG in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                              |                                |                                                      |
