

NJM3517E2

 NJR CORPORATION

Part Number: [NJM3517E2](#)

Manufacturer: [JRC Corporation / NJRC](#)

Description: IC MOTOR DRIVER PAR 16EMP

Data sheet:  [NJM3517](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                | Bipolar Motor Driver Bipolar Parallel 16-EMP               | Current - Output                 | 350mA                                              |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                                            |                                  |                                                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all JRC Corporation / NJRC series electronic components. We have 36447 pieces of JRC Corporation / NJRC NJM3517E2 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                  |                                                    |
