

NLVACT14DR2G

ON Semiconductor®

Part Number:

NLVACT14DR2G

Manufacturer:

AMI Semiconductor / ON Semiconductor

Description:

IC INVERTER 6CH 6-INP 14SOIC

Data sheet:

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                                                                             | Integrated Circuits (ICs)      | Voltage - Supply                 | 4.5 V ~ 5.5 V                        |
| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                                                              | 14-SOIC                        | Series                           | Automotive, AEC-Q100, 74ACT          |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                       | 14-SOIC (0.154", 3.90mm Width) | Operating Temperature            | -40°C ~ 85°C                         |
| Number of Inputs                                                                                                                                                                                                                                                                                                                                                                                                                                     | 6                              | Number of Circuits               | 6                                    |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                        | Surface Mount                  | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                        |
| Max Propagation Delay @ V, Max CL                                                                                                                                                                                                                                                                                                                                                                                                                    | 10ns @ 5V, 50pF                | Manufacturer Standard Lead Time  | 20 Weeks                             |
| Logic Type                                                                                                                                                                                                                                                                                                                                                                                                                                           | Inverter                       | Logic Level - Low                | 0.1 V ~ 0.36 V                       |
| Logic Level - High                                                                                                                                                                                                                                                                                                                                                                                                                                   | 4.4 V ~ 4.86 V                 | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant           |
| Features                                                                                                                                                                                                                                                                                                                                                                                                                                             | -                              | Detailed Description             | Inverter IC 6 Channel 14-SOIC        |
| Current - Quiescent (Max)                                                                                                                                                                                                                                                                                                                                                                                                                            | 4µA                            | Current - Output High, Low       | 24mA, 24mA                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 184606 pieces of AMI Semiconductor / ON Semiconductor NLVACT14DR2G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                |                                  |                                      |

|  | Part#: <a href="#">NLVAST4051DTR2G</a><br>Description: IC MUX/DEMUX 8:1 26 OHM 16TSSOP | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLV7SZ58DFT2G</a><br>Description: IC GATE MULTIFUNCT CONF SC-88     | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLVAC157DR2</a><br>Description: IC MUX QUAD 2INPUT 16-SOIC          | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLV7SZ97DFT2G</a><br>Description: IC GATE MULTIFUNCTION SC88-6      | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLV7SZ57DFT2G</a><br>Description: IC GATE MULTIFUNCT CONF SC-88     | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLVHC00ADR2</a><br>Description: IC GATE NAND 4CH 2-INP 14SOIC       | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLVAC11DR2G</a><br>Description: IC GATE AND 3CH 3-INP 14SOIC        | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLVHC00ADR2G</a><br>Description: IC GATE NAND 4CH 2-INP 14SOIC      | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLVHC02ADR2</a><br>Description: IC GATE NOR 4CH 2-INP 14SOIC        | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLVAS1053USG</a><br>Description: IC SWITCH SPDT US8                 | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLV9306USG</a><br>Description: IC TRNSLTR BIDIRECTIONAL US8         | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLVAS4599DFT2G</a><br>Description: IC SWITCH SPDT SC88              | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLV7SZ19DFT2G</a><br>Description: IC DECODER/DEMUX 1:2 CMOS SC88    | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLV7WBD3125USG</a><br>Description: IC TRANSLATOR 2BIT BUS SW US8    | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
|  | Part#: <a href="#">NLVASB3157DFT2G</a><br>Description: IC MULTIPLEXER CMOS 2:1 SC88    | Manufacturers: <a href="#">AMI Semiconductor / ON Semiconductor</a> | <a href="#">RFQ</a> |
