

NLVHC14ADR2G

ON Semiconductor® 

Part Number: [NLVHC14ADR2G](#)

Manufacturer: [AMI Semiconductor / ON Semiconductor](#)

Description: IC INVERTER SCHMITT 6CH 14SOIC

Data sheet:

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                              | -55°C ~ 125°C                             | Number of Inputs                  | 6                                                    |
| Number of Circuits                                                                                                                                                                                                                                                                                                                                                                                                                                 | 6                                         | Mounting Type                     | Surface Mount                                        |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                   | 3 (168 Hours)                             | Max Propagation Delay @ V, Max CL | 13ns @ 6V, 50pF                                      |
| Logic Type                                                                                                                                                                                                                                                                                                                                                                                                                                         | Inverter                                  | Logic Level - Low                 | 0.3 V ~ 1.2 V                                        |
| Logic Level - High                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1.5 V ~ 4.2 V                             | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                           |
| Features                                                                                                                                                                                                                                                                                                                                                                                                                                           | Schmitt Trigger                           | Detailed Description              | Inverter IC 6 Channel Schmitt Trigger 14-SOIC        |
| Current - Quiescent (Max)                                                                                                                                                                                                                                                                                                                                                                                                                          | 1µA                                       | Current - Output High, Low        | 5.2mA, 5.2mA                                         |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                   | 74VHC14                                   |                                   |                                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 3999 pieces of AMI Semiconductor / ON Semiconductor NLVHC14ADR2G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                           |                                   |                                                      |
