**Electronic Components**  
**KEMET**  
CHARGED<sup>®</sup>

**Part Number:** [P278HE222M480A](#)

**Manufacturer:** [KEMET](#)

**Description:** CAP FILM 2200PF 20% 480VAC RAD

**Data sheet:**  [P278 Series, 480VAC](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | EMI, RFI Suppression                                |                                  |                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 242551 pieces of KEMET P278HE222M480A in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                     |                                  |                                        |
