

PEB 3081 F V1.4

Part Number: [PEB 3081 F V1.4](#)

Manufacturer [International Rectifier \(Infineon Technologies\)](#)

Description IC S-BUS INTERFACE EXT TQFP48

Data sheet:  [PEB 3081](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

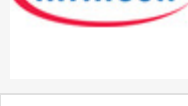

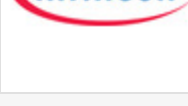

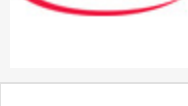

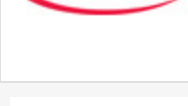

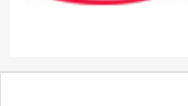

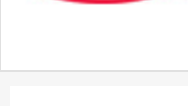

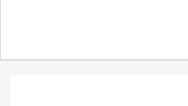

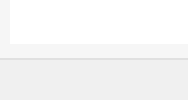

Shipment Way: DHL/Fedex/TNT/UPS/EMS

Images are for reference only.  
See Product Specifications for product details.  
Buy PEB 3081 F V1.4 with confidence from Component-World.HK, 1 Year Warranty

Request For Quotation

| PRODUCT PARAMETER                |                                                                                                     |                                |                                                                 |

| Supplier Device Package          | P-TQFP-48                                                                                           | Series                         | -                                                               |
| Packaging                        | Tray                                                                                                | Package / Case                 | 48-LQFP                                                         |
| Other Names                      | PEB 3081 F V1.4-ND<br>PEB3081FV1.4<br>PEB3081FV1.4XT<br>PEB3081FV14XP<br>SP000007636<br>SP000007637 | Operating Temperature          | 0°C ~ 70°C                                                      |
| Number of Circuits               | 1                                                                                                   | Mounting Type                  | Surface Mount                                                   |
| Moisture Sensitivity Level (MSL) | 3 (168 Hours)                                                                                       | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                                      |
| Interface                        | IOM-2, ISDN, SCI                                                                                    | Includes                       | D-Channel Access Control, Monitor Channel Handler               |
| Function                         | S / T Bus Interface Transceiver                                                                     | Detailed Description           | Telecom IC S / T Bus Interface Transceiver P-TQFP-48            |
| Current - Supply                 | 30mA                                                                                                | Base Part Number               | PEB3081                                                         |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all International Rectifier (Infineon Technologies) series electronic components. We have 5257 pieces of International Rectifier (Infineon Technologies) PEB 3081 F V1.4 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
