Buy PIC16C65AT-10E/PQ with confidence from  
Component-World.HK, 1 Year Warranty

Part Number: [PIC16C65AT-10E/PQ](#)

Manufacturer: [Micrel / Microchip Technology](#)

Description: IC MCU 8BIT 7KB OTP 44MQFP

Data sheet:  [PIC16C6x](#)  
 [Tips N Tricks Guide](#)  
 [SSP Module Errata](#)  
 [PIC16C65 Rev. A Silicon Errata Sheet](#)  
 [Timer1 Errata](#)  
 [MPLAB® ICE2000 Spec](#)  
 [PIC16C65A Revision A Errata](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

[Request For Quotation](#)

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                           |                                |                                                                                                                                                                                                                                                                                     |

| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 4891 pieces of Micrel / Microchip Technology PIC16C65AT-10E/PQ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                                                                                                                                                                                                                                                                     |
