Buy PIC16F688T-I/ML with confidence from Component-World.HK, 1 Year Warranty

Part Number: [PIC16F688T-I/ML](#)

Manufacturer: [Micrel / Microchip Technology](#)

Description: IC MCU 8BIT 7KB FLASH 16QFN

Data sheet: 

 [PIC16F688 Rev A3 Errata](#)

| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 76560 pieces of Micrel / Microchip Technology PIC16F688T-I/ML in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                              |                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                       |
