Buy PME271YE6150KR30 with confidence from  
Component-World.HK, 1 Year Warranty

**Electronic Components**  
**KEMET**  
CHARGED™

**Part Number:** [PME271YE6150KR30](#)

**Manufacturer:** [KEMET](#)

**Description:** CAP FILM 0.15UF 10% 1KVDC RADIAL

**Data sheet:**  [PME271Y A-E Series](#)

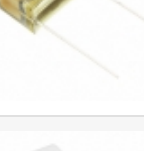

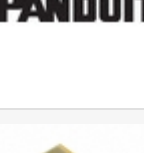

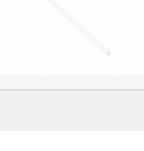

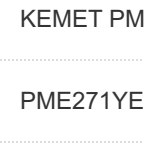

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                     | 0.15µF Film Capacitor 300V 1000V (1kV) Paper, Metallized Radial |                                  | Capacitance                             | 0.15µF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                             | EMI, RFI Suppression                                            |                                  |                                         |        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 68971 pieces of KEMET PME271YE6150KR30 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                 |                                  |                                         |        |
