

POM-2246S-2-R

**Part Number:** [POM-2246S-2-R](#)

**Manufacturer** [PUI Audio, Inc.](#)

**Description** MIC COND ANALOG OMNI -46DB

**Data sheet:**  [POM-2246S-2-R](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                      | Analog Microphone Electret Condenser 2V ~ 10V Omnidirectional (-46dB ±3dB) Solderless (Bullseye) |                                 | Current - Supply                | 500µA |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all PUI Audio, Inc. series electronic components. We have 76941 pieces of PUI Audio, Inc. POM-2246S-2-R in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                  |                                 |                                 |       |
