

PQ033EZ5MZZH

**Part Number:** [PQ033EZ5MZZH](#)

**Manufacturer:** [Sharp Microelectronics](#)

**Description:** IC REG LINEAR 3.3V 500mA SC63

**Data sheet:**  [PQzzzEZ\(5M,01\)ZzH Series](#)

**RoHs Status:** Lead free / RoHS Compliant

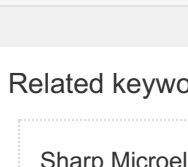

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 500mA SC-63 | Current - Quiescent (Iq)       | 2mA                                      |
| Current - Output                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 500mA                                                                | Control Features               | Enable                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Sharp Microelectronics series electronic components. We have 4300 pieces of Sharp Microelectronics PQ033EZ5MZZH in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                      |                                |                                          |
