

PS9551AL4-V-AX

Part Number: [PS9551AL4-V-AX](#)

Manufacturer: [CEL \(California Eastern Laboratories\)](#)

Description: MOD AMP DELTA-SIGMA ISO 8DIP GW

Data sheet:  [PS9551AL4](#)  
 [Optocoupler Design Guide](#)  
 [Optocouplers + SSR Brochure](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

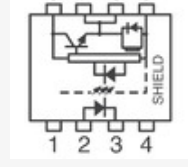

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Voltage - Supply               | 5V                                        | Type                             | Sigma-Delta Modulator                                                                                                |
| Supplier Device Package        | 8-DIP Gull Wing                           | Series                           | -                                                                                                                    |
| Sampling Rate (Per Second)     | -                                         | Resolution (Bits)                | 12 b                                                                                                                 |
| Packaging                      | Tube                                      | Package / Case                   | 8-SMD, Gull Wing                                                                                                     |
| Operating Temperature          | -40°C ~ 105°C                             | Number of Channels               | 2                                                                                                                    |
| Mounting Type                  | Surface Mount                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                                        |
| Lead Free Status / RoHS Status | Lead free / RoHS Compliant                | Detailed Description             | Sigma-Delta Modulator 12 bit SPI 8-DIP Gull Wing                                                                     |
| Data Interface                 | SPI                                       |                                  |                                                                                                                      |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all CEL (California Eastern Laboratories) series electronic components. We have 4776 pieces of CEL (California Eastern Laboratories) PS9551AL4-V-AX in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
