Buy PVH-25V100MF60E-R2 with confidence from  
Component-World.HK, 1 Year Warranty

**ELNA**  
AMERICA, INC.

**Part Number:** [PVH-25V100MF60E-R2](#)

**Manufacturer:** [Elna America](#)

**Description:** CAP ALUM POLY 10UF 20% 25V SMD

**Data sheet:**  [PVH Series](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 10µF 25V Aluminum Polymer Capacitor Radial, Can - SMD 65 mOhm 2000 Hrs @ 105°C | Capacitance                        | 10µF                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | General Purpose                                                                |                                    |                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Elna America series electronic components. We have 79072 pieces of Elna America PVH-25V100MF60E-R2 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                |                                    |                              |
