

QMK316BJ333ML-T

**TAIYO YUDEN**

Part Number: [QMK316BJ333ML-T](#)

Manufacturer: [Taiyo Yuden](#)

Description: CAP CER 0.033UF 250V X5R 1206

Data sheet:  [QMK316BJ333ML-T Spec Sheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                 | 0.033µF ±20% 250V Ceramic Capacitor X5R 1206 (3216 Metric) | Capacitance                      | 0.033µF                                    |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                         | General Purpose                                            |                                  |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Taiyo Yuden series electronic components. We have 661108 pieces of Taiyo Yuden QMK316BJ333ML-T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                  |                                            |
