

QXP2G334KRPT

**Part Number:** [QXP2G334KRPT](#)

**Manufacturer:** [Nichicon](#)

**Description:** CAP FILM 0.33UF 10% 400VDC RAD

**Data sheet:**  [QXP Series](#)  
 [Plastic Film, Basic Pkg Unit](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                        | 0.33µF Film Capacitor 160V 400V Polypropylene (PP), Metallized Radial |                                  | Capacitance                                                                | 0.33µF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                | High Frequency, Switching                                             |                                  |                                                                            |        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Nichicon series electronic components. We have 118566 pieces of Nichicon QXP2G334KRPT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                       |                                  |                                                                            |        |
