**Buy R71MI34704000K with confidence from Component-World.HK, 1 Year Warranty**

**Electronic Components**  
**KEMET**  
CHARGED<sup>®</sup>

**Part Number:** [R71MI34704000K](#)

**Manufacturer:** [KEMET](#)

**Description:** CAP FILM 0.47UF 10% 420VDC RAD

**Data sheet:**  [R71 Series](#)

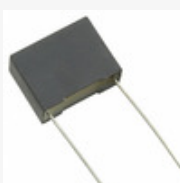

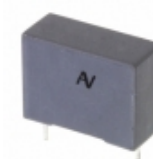

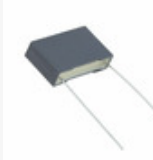

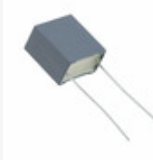

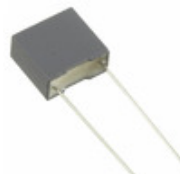

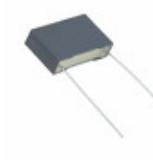

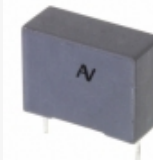

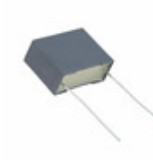

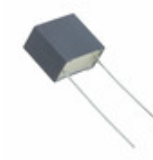

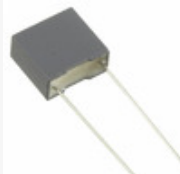

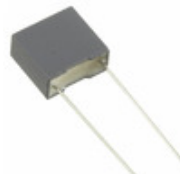

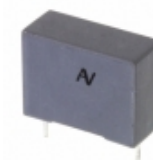

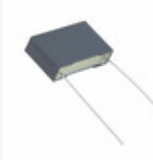

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.47µF Film Capacitor 220V 420V Polypropylene (PP), Metallized Radial       | Capacitance                      | 0.47µF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | High Frequency, Switching; High Pulse, DV/DT; Power Factor Correction (PFC) |                                  |                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 305703 pieces of KEMET R71MI34704000K in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                             |                                  |                                        |
