

R82EC2220Z350J

Electronic Components

**KEMET**

CHARGED

Part Number:

R82EC2220Z350J

Manufacturer:

KEMET

Description:

CAP FILM 0.022UF 5% 100VDC RAD

Data sheet:

 [R82 Series, Automotive](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                     | 0.022µF Film Capacitor 63V 100V Polyester, Polyethylene Terephthalate (PET), Metallized - Stacked Radial |                                  | Capacitance                                                       | 0.022µF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                             | Automotive                                                                                               |                                  |                                                                   |         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 1038784 pieces of KEMET R82EC2220Z350J in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                          |                                  |                                                                   |         |
