

R82MC2470Z350K

Electronic Components

**KEMET**

CHARGED™

Part Number:

R82MC2470Z350K

Manufacturer:

KEMET

Description:

CAP FILM 0.047UF 10% 400VDC RAD

Data sheet:

 [R82 Series, Automotive](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.047µF Film Capacitor 200V 400V Polyester, Polyethylene Terephthalate (PET), Metallized - Stacked Radial | Capacitance                      | 0.047µF                                                           |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                            | Automotive                                                                                                |                                  |                                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 395055 pieces of KEMET R82MC2470Z350K in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                                           |                                  |                                                                   |
