

RCER71E335K2K1H03B

  
INNOVATOR IN ELECTRONICS

**Part Number:** [RCER71E335K2K1H03B](#)

**Manufacturer:** [Murata Electronics](#)

**Description:** CAP CER 3.3UF 25V X7R RADIAL

**Data sheet:**  [RCER71E335K2K1H03B](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 3.3µF ±10% 25V Ceramic Capacitor X7R Radial | Capacitance                    | 3.3µF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Automotive                                  |                                |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Murata Electronics series electronic components. We have 209498 pieces of Murata Electronics RCER71E335K2K1H03B in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                             |                                |                                       |
