

S-1000N39-I4T1G

SII

SII Semiconductor Corporation

Part Number:

S-1000N39-I4T1G

Manufacturer:

SII Semiconductor Corporation

Description:

IC VOLT DETECT N-CH 39V SNT-4A

Data sheet:

 [S-1000 Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

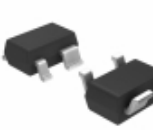

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Voltage Detector                          | Supplier Device Package          | SNT-4A                                                   |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | S-1000                                    | Reset Timeout                    | -                                                        |
| Reset                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Active Low                                | Packaging                        | Tape & Reel (TR)                                         |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 4-SMD, Flat Leads                         | Output                           | Open Drain or Open Collector                             |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | -40°C ~ 85°C (TA)                         | Number of Voltages Monitored     | 1                                                        |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Surface Mount                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                            |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Lead free / RoHS Compliant                | Detailed Description             | Supervisor Open Drain or Open Collector 1 Channel SNT-4A |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all SII Semiconductor Corporation series electronic components. We have 5786 pieces of SII Semiconductor Corporation S-1000N39-I4T1G in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                          |

|  | Part#: <a href="#">S-1000N38-M5T1U</a><br>Description: IC VOLT DETECTOR                | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N38-N4T1U</a><br>Description: IC VOLT DETECTOR                | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N40-I4T1G</a><br>Description: IC VOLT DETECT N-CH 40V SNT-4A  | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N40-N4T1G</a><br>Description: IC VOLT DETECT N-CH 40V SC-82AB | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N37-N4T1U</a><br>Description: IC VOLT DETECTOR                | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N38-I4T1U</a><br>Description: IC VOLT DETECT N-CH 38V SNT-4A  | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N39-M5T1U</a><br>Description: IC VOLT DETECTOR                | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N39-N4T1U</a><br>Description: IC VOLT DETECTOR                | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N37-M5T1U</a><br>Description: IC VOLT DETECTOR                | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N40-I4T1U</a><br>Description: IC VOLT DETECT N-CH 40V SNT-4A  | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N38-M5T1G</a><br>Description: IC VOLT DETECT N-CH 38V SOT23-5 | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N40-M5T1U</a><br>Description: IC VOLT DETECTOR                | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
|  | Part#: <a href="#">S-1000N37-M5T1G</a><br>Description: IC VOLT DETECT N-CH 37V SOT23-5 | Manufacturers: <a href="#">SII Semiconductor Corporation</a> | <div>RFQ</div> |
