

S-1004NB28I-M5T1U

SIISII Semiconductor Corporation

Part Number: S-1004NB28I-M5T1U

Manufacturer: SII Semiconductor Corporation

Description: BUILT-IN DELAY CIRCUIT VOLT DECT

Data sheet:  S-1004 Series

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Series                                                                                                                                                                                                                                                                                                                                                                                                                                      | S-1004                                    | Reset Timeout                   | -                                                          |
| Reset                                                                                                                                                                                                                                                                                                                                                                                                                                       | Active Low                                | Packaging                       | Tape & Reel (TR)                                           |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                              | SC-74A, SOT-753                           | Output                          | Open Drain or Open Collector                               |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                                                                 | 1662-2772-2                               | Operating Temperature           | -40°C ~ 85°C (TA)                                          |
| Number of Voltages Monitored                                                                                                                                                                                                                                                                                                                                                                                                                | 1                                         | Mounting Type                   | Surface Mount                                              |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                            | 1 (Unlimited)                             | Manufacturer Standard Lead Time | 20 Weeks                                                   |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                              | Lead free / RoHS Compliant                | Detailed Description            | Supervisor Open Drain or Open Collector 1 Channel SOT-23-5 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all SII Semiconductor Corporation series electronic components. We have 220946 pieces of SII Semiconductor Corporation S-1004NB28I-M5T1U in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                           |                                 |                                                            |
