

S-1111B54MC-NZNTFG

SII

SII Semiconductor Corporation

Part Number:

S-1111B54MC-NZNTFG

Manufacturer:

SII Semiconductor Corporation

Description:

IC REG LINEAR 5.4V 150MA SOT23-5

Data sheet:

 [S-1111,1121 Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Quantity Available               | 196680 pcs                                                              | Data sheet                     | <a href="#">S-1111,1121 Series</a>            |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>                               | Voltage Dropout (Max)          | 0.26V @ 100mA                                 |
| Voltage - Output (Min/Fixed)     | 5.4V                                                                    | Voltage - Output (Max)         | -                                             |
| Voltage - Input (Max)            | 6.5V                                                                    | Supplier Device Package        | SOT-23-5                                      |
| Series                           | S-1111                                                                  | Protection Features            | Over Current                                  |
| Packaging                        | Tape & Reel (TR)                                                        | Package / Case                 | SC-74A, SOT-753                               |
| PSRR                             | 70dB (1kHz)                                                             | Output Type                    | Fixed                                         |
| Output Configuration             | Positive                                                                | Operating Temperature          | -40°C ~ 85°C (TA)                             |
| Number of Regulators             | 1                                                                       | Mounting Type                  | Surface Mount                                 |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                           | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                    |
| Detailed Description             | Linear Voltage Regulator IC Positive Fixed 1 Output 5.4V 150mA SOT-23-5 | Current - Supply (Max)         | 65µA                                          |
| Current - Quiescent (Iq)         | 1µA                                                                     | Current - Output               | 150mA                                         |
| Control Features                 | Enable                                                                  |                                |                                               |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all SII Semiconductor Corporation series electronic components. We have 196680 pieces of SII Semiconductor Corporation S-1111B54MC-NZNTFG in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
