

S-1165B49MC-N7ITFG

SII

SII Semiconductor Corporation

Part Number:

S-1165B49MC-N7ITFG

Manufacturer:

SII Semiconductor Corporation

Description:

IC REG LINEAR 4.9V 200MA SOT23-5

Data sheet:

 [S-1165 Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Linear Voltage Regulator IC 1 Output 200mA SOT-23-5 | Current - Quiescent (Iq)       | 65µA                                          |
| Current - Output                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 200mA                                               | Control Features               | Enable                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all SII Semiconductor Corporation series electronic components. We have 180764 pieces of SII Semiconductor Corporation S-1165B49MC-N7ITFG in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                     |                                |                                               |
