

S-80123CNPF-JKITFG

SII

SII Semiconductor Corporation

Part Number:

S-80123CNPF-JKITFG

Manufacturer:

SII Semiconductor Corporation

Description:

IC VOLT DETECTOR 2.3V SNT-4A

Data sheet:

 [S-801 Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Voltage Detector                          | Supplier Device Package          | SNT-4A                                                   |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | S-801                                     | Reset Timeout                    | 130 ms Minimum                                           |
| Reset                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Active Low                                | Packaging                        | Tape & Reel (TR)                                         |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 4-SMD, Flat Leads                         | Output                           | Open Drain or Open Collector                             |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | -40°C ~ 85°C (TA)                         | Number of Voltages Monitored     | 1                                                        |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Surface Mount                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                            |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Lead free / RoHS Compliant                | Detailed Description             | Supervisor Open Drain or Open Collector 1 Channel SNT-4A |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all SII Semiconductor Corporation series electronic components. We have 5980 pieces of SII Semiconductor Corporation S-80123CNPF-JKITFG in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                          |
