

SA6.0A-E3/54

Part Number: [SA6.0A-E3/54](#)

Manufacturer: [Electro-Films \(EFI\) / Vishay](#)

Description: TVS DIODE 6V 10.3V DO204AC

Data sheet:  [SA5.0A thru SA170CA](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Current - Peak Pulse (10/1000µs)                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 48.5A                              | Capacitance @ Frequency          | -                                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                    |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 404144 pieces of Electro-Films (EFI) / Vishay SA6.0A-E3/54 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                    |                                  |                                              |
