

SCC2692AE1B44,551

Part Number: [SCC2692AE1B44,551](#)

Manufacturer: [NXP Semiconductors / Freescale](#)

Description: IC UART DUAL W/FIFO 44QFP

Data sheet:  [SCC2692](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

Images are for reference only.  
See Product Specifications for product details.  
Buy SCC2692AE1B44,551 with confidence from  
Component-World.HK, 1 Year Warranty

| Quantity Available               | 5500 pcs                                              | Data sheet                     | <a href="#">SCC2692</a>                               |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>             | With Modem Control             | -                                                     |
| With IrDA Encoder/Decoder        | -                                                     | With False Start Bit Detection | Yes                                                   |
| With Auto Flow Control           | Yes                                                   | Voltage - Supply               | 5V                                                    |
| Supplier Device Package          | 44-PQFP (10x10)                                       | Series                         | -                                                     |
| Protocol                         | -                                                     | Packaging                      | Tray                                                  |
| Package / Case                   | 44-QFP                                                | Other Names                    | 935262497551<br>SCC2692AE1B44-S<br>SCC2692AE1B44-S-ND |
| Number of Channels               | 2, DUART                                              | Mounting Type                  | Surface Mount                                         |
| Moisture Sensitivity Level (MSL) | 3 (168 Hours)                                         | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                            |
| Features                         | Configurable GPIO, Internal Oscillator, Timer/Counter | FIFO's                         | -                                                     |
| Data Rate (Max)                  | 1Mbps                                                 | Base Part Number               | SCC2692A                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all NXP Semiconductors / Freescale series electronic components. We have 5500 pieces of NXP Semiconductors / Freescale SCC2692AE1B44,551 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
