

SE98ATL,147

Images are for reference only.  
See Product Specifications for product details.  
**Buy SE98ATL,147 with confidence from Component-World.HK, 1 Year Warranty**

**Part Number:** [SE98ATL,147](#)

**Manufacturer:** [NXP Semiconductors / Freescale](#)

**Description:** IC TEMP SENSOR DDR 3.6V 8-HXSON

**Data sheet:**  [SE98A](#)

**RoHs Status:** Lead free / RoHS Compliant

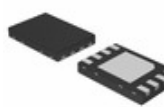

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

[Request For Quotation](#)

| Description                    | IC TEMP SENSOR DDR 3.6V 8-HXSON                                                                           | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                     |
| Quantity Available             | 5141 pcs                                                                                                  | Data sheet                       | <a href="#">SE98A</a>                          |
| Category                       | <a href="#">Integrated Circuits (ICs)</a>                                                                 | Voltage - Supply                 | 1.7 V ~ 3.6 V                                  |
| Topology                       | ADC (Sigma Delta), Register Bank                                                                          | Supplier Device Package          | 8-HXSON (2x3)                                  |
| Series                         | -                                                                                                         | Sensor Type                      | Internal                                       |
| Sensing Temperature            | -40°C ~ 125°C                                                                                             | Packaging                        | Tape & Reel (TR)                               |
| Package / Case                 | 8-XFDN Exposed Pad                                                                                        | Output Type                      | I <sup>2</sup> C/SMBus                         |
| Output Fan                     | Yes                                                                                                       | Output Alarm                     | Yes                                            |
| Other Names                    | 568-4780-2<br>935288816147<br>SE98ATL147                                                                  | Operating Temperature            | -40°C ~ 125°C                                  |
| Mounting Type                  | Surface Mount                                                                                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                  |
| Lead Free Status / RoHS Status | Lead free / RoHS Compliant                                                                                | Function                         | Temp Monitoring System (Sensor)                |
| Detailed Description           | Temp Monitoring System (Sensor) -40°C ~ 125°C Internal Sensor I <sup>2</sup> C/SMBus Output 8-HXSON (2x3) | Base Part Number                 | SE98                                           |
| Accuracy                       | ±4°C(Max)                                                                                                 |                                  |                                                |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all NXP Semiconductors / Freescale series electronic components. We have 5141 pieces of NXP Semiconductors / Freescale SE98ATL,147 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
