

SEC1200-CN-02

Part Number: [SEC1200-CN-02](#)

Manufacturer: [Micrel / Microchip Technology](#)

Description: IC SMART CARD BRIDGE USB 24QFN

Data sheet:  [SEC1100,1200 Brief](#)

RoHS Status: Lead free / RoHS Compliant

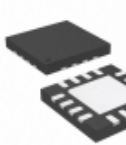

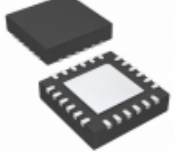

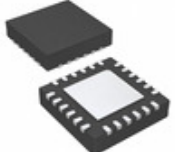

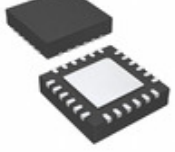

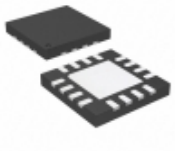

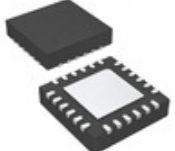

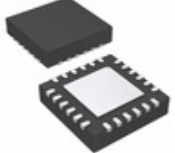

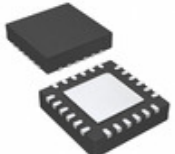

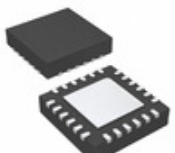

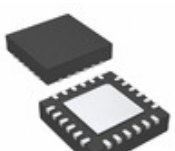

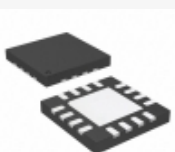

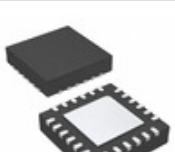

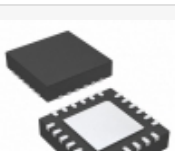

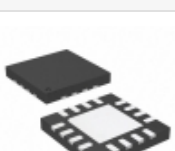

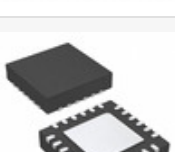

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Tray                                      | Package / Case                   | 24-VFQFN Exposed Pad                          |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Surface Mount                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                 |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Lead free / RoHS Compliant                | Interface                        | SPI, UART, USB                                |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Smart Card Interface 24-QFN (5x5)         | Base Part Number                 | SEC1200                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Smart Card                                |                                  |                                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 5667 pieces of Micrel / Microchip Technology SEC1200-CN-02 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                               |
