

SFA66T10K475B-F

Part Number:

SFA66T10K475B-F

Manufacturer:

Cornell Dubilier Electronics

Description:

CAP FILM 10UF 10% 660VAC QC TERM

Data sheet:

 [SF Type](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Features                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | -                                                                   | Dielectric Material              | Polypropylene (PP), Metallized               |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 10µF Film Capacitor 660V Polypropylene (PP), Metallized Radial, Can | Capacitance                      | 10µF                                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Motor Run                                                           |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 6585 pieces of Cornell Dubilier Electronics SFA66T10K475B-F in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                     |                                  |                                              |
