

SI3200-G-GS

SILICON LABS

SILICON LABS

**Part Number:** [SI3200-G-GS](#)

**Manufacturer:** [Energy Micro \(Silicon Labs\)](#)

**Description:** IC SLIC/CODEC 125V LINE 16SOIC

**Data sheet:**

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Power (Watts)                    | 941mW                                           | Packaging                      | Tube                                                                                                                  |
| Package / Case                   | 16-SOIC (0.154", 3.90mm Width) Exposed Pad      | Operating Temperature          | -40°C ~ 85°C                                                                                                          |
| Number of Circuits               | 2                                               | Mounting Type                  | Surface Mount                                                                                                         |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                   | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                                                                                            |
| Interface                        | GCI, PCM, SPI                                   | Includes                       | Battery Switching, BORSCHT Functions, DTMF Generation and Decoding, FSK Tone Generation, Modem and Fax Tone Detection |
| Function                         | Subscriber Line Interface Concept (SLIC), CODEC | Detailed Description           | Telecom IC Subscriber Line Interface Concept (SLIC), CODEC 16-SOIC                                                    |
| Current - Supply                 | 110µA                                           | Base Part Number               | SI3200                                                                                                                |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Energy Micro (Silicon Labs) series electronic components. We have 5401 pieces of Energy Micro (Silicon Labs) SI3200-G-GS in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
