

SI5338B-B06910-GMR

SILICON LABS

Part Number:

SI5338B-B06910-GMR

Manufacturer:

Energy Micro (Silicon Labs)

Description:

I2C CONTROL, 4-OUTPUT, ANY FREQU

Data sheet:

 [SI5338](#)

RoHs Status:

Ship From:

Hong Kong

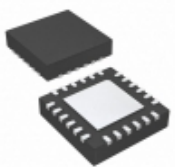

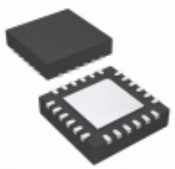

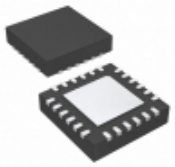

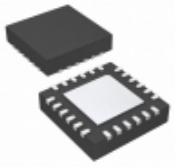

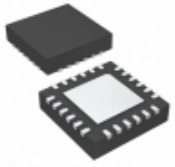

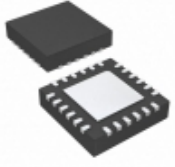

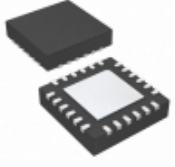

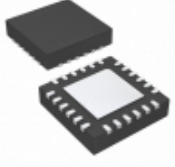

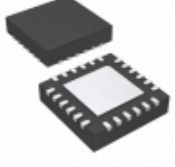

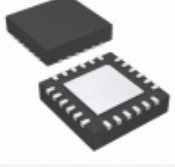

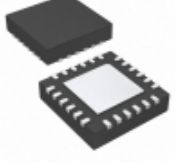

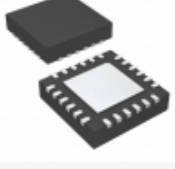

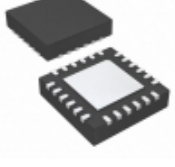

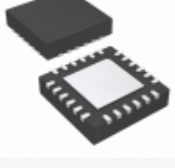

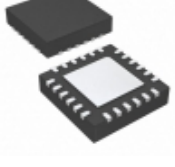

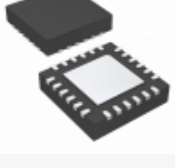

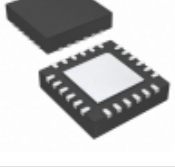

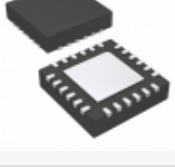

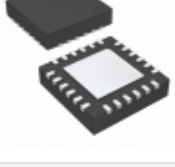

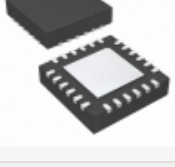

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 24-VFQFN Exposed Pad                      | Mounting Type                   | Surface Mount                               |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 2 (1 Year)                                | Manufacturer Standard Lead Time | 4 Weeks                                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Energy Micro (Silicon Labs) series electronic components. We have 10371 pieces of Energy Micro (Silicon Labs) SI5338B-B06910-GMR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                 |                                             |
