

SIC531ACD-T1-GE3

Part Number: [SIC531ACD-T1-GE3](#)

Manufacturer: [Electro-Films \(EFI\)](#) / [Vishay](#)

Description: IC CTRL STAGE 30A 3.3V PWM PPAK

Data sheet:  [SIC531\(A\)](#)

RoHs Status: Lead free / RoHS Compliant

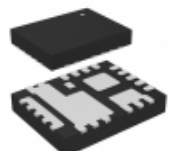

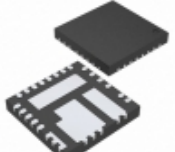

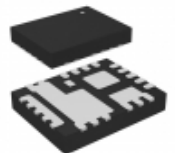

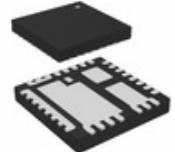

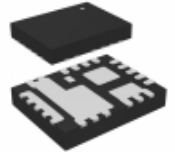

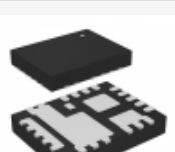

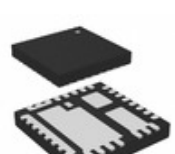

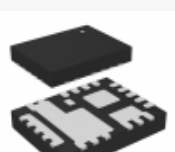

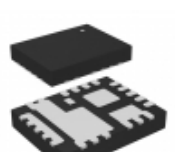

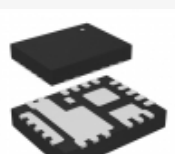

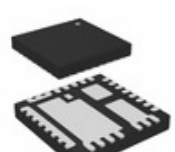

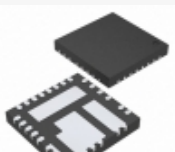

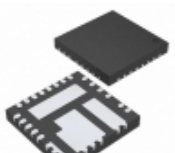

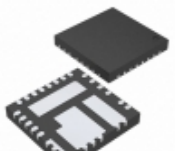

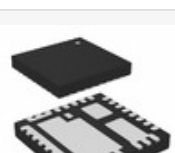

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Half Bridge Driver Synchronous Buck Converters Power MOSFET POWERPAK® MLP4535-22L | Current - Peak Output            | 35A                                                          |
| Current - Output / Channel                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 30A                                                                               | Applications                     | Synchronous Buck Converters                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 86865 pieces of Electro-Films (EFI) / Vishay SIC531ACD-T1-GE3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                   |                                  |                                                              |
