

SII8788CNUC

Part Number: [SII8788CNUC](#)

Manufacturer: [Lattice Semiconductor](#)

Description: ANALOG FRONT END (AFE) WITH TTL

Data sheet:  [SII8788](#)

RoHs Status:

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Other Names                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 220-2184<br>SII8788CNUC-ND                | Mounting Type                  | Surface Mount                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Professional Video                        |                                |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Lattice Semiconductor series electronic components. We have 10317 pieces of Lattice Semiconductor SII8788CNUC in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                       |
