

SK471M050ST

Part Number: SK471M050ST

Manufacturer: Cornell Dubilier Electronics

Description: CAP ALUM 470UF 20% 50V RADIAL

Data sheet:  SK Type

RoHs Status: Lead free / RoHS Compliant

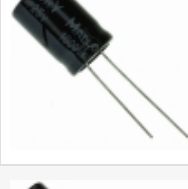

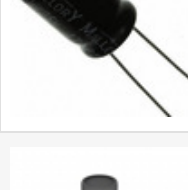

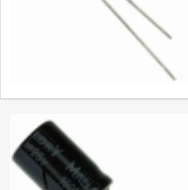

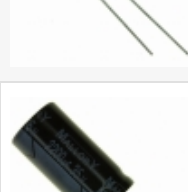

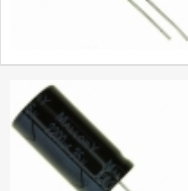

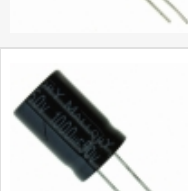

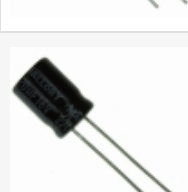

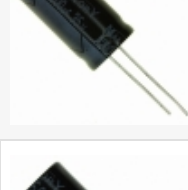

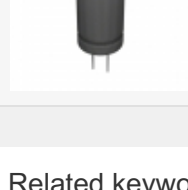

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                | 470µF 50V Aluminum Electrolytic Capacitors Radial, Can 280 mOhm 2000 Hrs @ 85°C | Capacitance                        | 470µF                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                                                                 |                                    |                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 107870 pieces of Cornell Dubilier Electronics SK471M050ST in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                 |                                    |                              |
