

SL18860DC

**SILICON LABS**

Part Number: [SL18860DC](#)

Manufacturer: [Energy Micro \(Silicon Labs\)](#)

Description: IC CLK BUFFER 1:3 52MHZ 10TDFN

Data sheet:  [SL18860DC](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Fanout Buffer (Distribution)                             | Supplier Device Package         | 10-TDFN (2x1.4)                             |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | -                                                        | Ratio - Input:Output            | 1:3                                         |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Strip                                                    | Package / Case                  | 10-WFDFN                                    |
| Output                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | LVCMOS                                                   | Operating Temperature           | -40°C ~ 85°C                                |
| Number of Circuits                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1                                                        | Mounting Type                   | Surface Mount                               |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                              | 1 (Unlimited)                                            | Manufacturer Standard Lead Time | 6 Weeks                                     |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                                | Lead free / RoHS Compliant                               | Input                           | LVCMOS                                      |
| Frequency - Max                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 52MHz                                                    | Differential - Input:Output     | No/No                                       |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Clock Fanout Buffer (Distribution) IC 1:3 52MHz 10-WFDFN | Base Part Number                | SL18860                                     |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Energy Micro (Silicon Labs) series electronic components. We have 48121 pieces of Energy Micro (Silicon Labs) SL18860DC in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                 |                                             |
