

SLPX682M063H3P3

**CORNELL DUBILIER**  
ENERGIZING IDEAS

**Part Number:** SLPX682M063H3P3

**Manufacturer:** [Cornell Dubilier Electronics](#)

**Description:** CAP ALUM 6800UF 20% 63V SNAP

**Data sheet:**  [SLPX Type](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                   | 6800µF 63V Aluminum Electrolytic Capacitors Radial, Can - Snap-In 59 mOhm @ 120Hz 3000 Hrs @ 85°C | Capacitance                        | 6800µF                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                           | General Purpose                                                                                   |                                    |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 38210 pieces of Cornell Dubilier Electronics SLPX682M063H3P3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                                   |                                    |                                              |
