Buy SMC10.2474J50A31TR16 with confidence from  
Component-World.HK, 1 Year Warranty

Electronic Components

CHARGED

Part Number:

SMC10.2474J50A31TR16

Manufacturer:

KEMET

Description:

CAP FILM 0.47UF 5% 50VDC SMD

Data sheet:

 [SMC Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

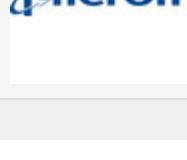

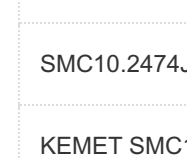

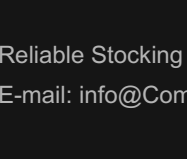

DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| Voltage Rating - AC             | 30V                                                                               | Tolerance                        | ±5%                                     |
| Termination                     | Solder Pads                                                                       | Size / Dimension                 | 0.402" L x 0.358" W (10.20mm x 9.10mm)  |
| Series                          | SMC                                                                               | Ratings                          | -                                       |
| Packaging                       | Cut Tape (CT)                                                                     | Package / Case                   | Nonstandard                             |
| Other Names                     | 399-13028-1                                                                       | Operating Temperature            | -55°C ~ 125°C                           |
| Mounting Type                   | Surface Mount                                                                     | Moisture Sensitivity Level (MSL) | 2A (4 Weeks)                            |
| Manufacturer Standard Lead Time | 20 Weeks                                                                          | Lead Spacing                     | -                                       |
| Lead Free Status / RoHS Status  | Lead free / RoHS Compliant                                                        | Height - Seated (Max)            | 0.224" (5.70mm)                         |
| Features                        | High Temperature                                                                  | Dielectric Material              | Polyphenylene Sulfide (PPS), Metallized |
| Detailed Description            | 0.47μF Film Capacitor 30V 50V Polyphenylene Sulfide (PPS), Metallized Nonstandard | Capacitance                      | 0.47μF                                  |
| Applications                    | General Purpose                                                                   |                                  |                                         |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all KEMET series electronic components. We have 37795 pieces of KEMET SMC10.2474J50A31TR16 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
